## EDUCATION

### ILLINOIS STATE UNIVERSITY

#### BACHELOR OF SCIENCE, COMPUTER SCIENCE

- Expected Graduation: May 2019
- Cumulative GPA: 3.77/4.0
- Member of ISUSec Club
- Member of Mobile Development Club

## EXPERIENCE

### FREELANCE | WEB DEVELOPER

Summer 2016 - Present

- Created and deployed custom websites for customers.
- Collaborated with partner remotely, across country.
- Set up Front-End and configured WordPress.

## PROJECTS

### BOOKMARK MUSIC PLAYER | CHROME EXTENSION

- Chrome Extension that plays YouTube videos from your bookmarks in the background.
- Used JavaScript with the YouTube and Chrome Extension API. As well as some HTML and CSS for the UI.
- Set up Front-End and configured WordPress.

### PERSONAL WEBSITE | BRANDONMANKE.COM

- Created Front-End for static site.
- Designed with vanilla HTML, CSS, and JavaScript.
- Previous version utilized ExpressJS backend with input sanitization.

### SAFE STROLL | ANDROID APP

- Android App that helps people get home safely, by setting a timer and alerting contacts via text if user doesn't respond before timer ends.
- Collaborated with partner to design android app for Mobile App Development Contest.
